

## **To All Our Postal, UPS, and FedEx Delivery Persons**

Thank you for making our holidays easier  
By delivering packages straight to our door  
Please take a treat as our way to thank you  
Go ahead and take one or two or even more.  
We pray that you're able to spend time with family  
And that God keeps you safe on your way,  
We hope that you know how much Jesus loves you,  
And that you have the best holiday.

**Merry Christmas!**
