

# PRAISE Bible Study Plan

## Pray

- Thank God for His desire to commune with us.
- Ask God to help you as you study.
- Pray that you will hear His voice as you read His Word.
- Ask God to help you understand what He has to say.
- Ask God to show you how to apply scripture to your life.

## Read

- Read the scriptures you have chosen for the day.
- Read the scriptures several times over the course of the week.
- Read the scriptures in two or three different versions.

## Ask

- Jot down any questions you have about what you just read.
- Circle or mark any words that you don't understand.
- Write down any other scriptures or Bible stories you think of as you read.
- Ask yourself two questions:
  - What did I learn about Jesus from this passage?
  - What does this passage tell me about who I am MADE to be?

## Investigate

- Read the corresponding lesson (if applicable).
- Review the questions you asked when you first read the scriptures. If you have discovered the answer to your question, write those down.
- If something you read reminded you of another Bible verse or story, look up that scripture passage and read it.
- Consult other resources such as commentaries, sermons, podcasts, etc. for further exploration.

## Summarize

- Answer any questions in your lesson (if applicable).
- Write a short summary paragraph about what you have learned from your reading.

## Engage

- Practice scripture memorization.
- Read the life example (if applicable).
- Find one way in which you can put what you've learned into practice and do it.
